SECOND REQUEST FOR CORRECTED FILING RECEIPT

Assistant Commissioner for Patents
Washington DC 20231

Applicants hereby request a Corrected Filing Receipt be issued for the above referenced patent application. Specifically, Applicants request that the "Filing Fee Received" field be changed to \$1,028 and that the "Total Claims" field be changed to 33.

This application is a divisional of U. S. application Serial No. 09/620,606 (the parent application), which is a divisional of U. S. application Serial No. 08/916,692 (the grandparent application). The grandparent application contained claims 1 – 80. The parent application was filed with a preliminary amendment which added claims 81 – 465.

A preliminary amendment filed in the instant application canceled claims 1 – 442, leaving claims 443 – 465 for examination. A Fee Transmittal form (PTO/SB/17; copy enclosed) was submitted on 28 June 2001 with the preliminary amendment for twenty-three (23) total claims, one (1) independent claim, and a fee of \$764.

COPY OF PAPERS
ORIGINALLY FILED

A second preliminary amendment was filed on 21 September 2001 which added two (2) independent claims and four (4) dependent claims. A Fee Transmittal form (PTO/SB/17; copy enclosed) filed with the second preliminary amendment correctly listed the total claims at twenty-nine (29) and independent claims at three (3). The Fee Transmittal, however, incorrectly listed the fee at \$288. The correct amount is \$108.

A third preliminary amendment was filed on 9 November 2001 which added one (1) independent claim and three (3) dependent claims. A Fee Transmittal form (PTO/SB/17; copy enclosed) filed with the third preliminary amendment correctly listed the total claims at thirty-three (33), the independent claims at four (4), and the fee at \$156.

Thus, Applicants request a Corrected Filing Receipt reciting the "Filing Fee Received" as \$1,028 (i.e., \$764 + \$108 + \$156) and the "Total Claims" as 33 (i.e., 23 + 6 + 4).

A copy of the Corrected Filing Receipt mailed on 29 July 2002 with the requested corrections marked in red ink is enclosed.

Also enclosed is a return postcard. Please date stamp the postcard and return it to us to acknowledge receipt of this Request.

The Commissioner is hereby authorized to charge any underpayment or credit any overpayment to our Deposit Account No. 20-0888. A duplicate copy of this Transmittal letter is enclosed.

Respectfully submitted,

Edward L. Pencoske

GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

NOT GRANTED

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).
